It was so wrong, but I just couldn't control my impulses

LESBIAN LUST LESSON

I would like to relate something that happened a few years ago, a rather risqué subject to talk about even these days. It concerns the daughter of our neighbor across the street. And it is about an incident which I have kept secret from everyone, even my husband.

I was 24 when we moved into this house. Ginny and Joe and their daughter Pam came over to welcome us. We all became instant friends. Pam was their pride and joy. And being childless, I fell in love with her too. Not only was she quiet, respectful, well behaved and friendly, she was also gorgeous. As she grew older, she showed promise of becoming even more beautiful than her mother.

Pam used to come over to my house after school to talk. She would ask a lot about boys, and I guess she felt closer to me than her own mother, because I was the one she confided in.

By the time Pam was a teenager, grown men were turning around for a second look. She was quickly becoming

a beauty. Then came the summer day when Pam was 18, which I want to tell you about. The kids were out of school for vacation. Both my husband and Joe had left for work, and Ginny had asked me to keep an eye on Pam because she had to go and take care of her sick sister.

While sitting on the front porch and waiting for Pam, I was struck by a vision of pure loveliness that walked daintily down the street toward me. She was dressed in a tiny red bikini, of all things; she was absolutely magnificent, the most magnificent creature I have ever seen. Her shoulders were narrow and feminine, her arms full and shapely, her breasts high and proud. Her tiny waist flowed outward demurely to her softly rounded hips and downward into her lush, full thighs and round knees. The kid looked like she was made of cream-colored velvet. I smiled to myself as I watched her coming up the walkway toward the house.

"Step inside, sweetie" I called out

to her.

She grinned at me. "I get to hang out all day with you," she said happily.

"I know," I said. "Have you had breakfast?"

"Yeah, but I want some milk," she said.

We went inside and I went into the kitchen to get her a glass of milk. My legs felt funny and I found myself wishing that she had worn more clothes. She was watching TV in the living room. I set the milk down on the coffee table in front of this nearly naked girl.

"He fucked her again last night, Patty," Pam told me. "He really gave it to her too. It sounded like they were wrecking the bed in there. But Mom was all happy and singing this morning, so she must have really liked it."

I laughed softly and nodded. "I suppose she did," I agreed.

She turned to me, her face serious. In a near whisper she said, "I can talk to you. I always could, even better than I can to my own mother."

"What do you want to talk about, honey?" I asked.

She hesitated, her eyes still down. "Is it bad for me to get horny when I hear people fuck? I can't help it."

"No, it isn't bad, Pam," I said. "It's a natural reaction and nothing to be ashamed of."

She nodded, her eyes on the TV again but not seeing it. She gave a small shrug. "I don't know what's wrong with me," she mumbled. "I must be a nympho. Every time I see a good-looking guy I start thinking that I would like to fuck with him. I get sort of warm all over or something and ..."

"You're not a nympho, Pam," I said, smiling. "You're a normal, young woman who is at the age when you are noticing boys."

"But lots of times I wake up at night, and my hand is down inside my panties. Sometimes I even have my finger in my pussy. I don't even realize when I do it. It's that way when I wake up!"

"Pam, it's called masturbation, and it's perfectly normal and natural," I explained softly. "It's absolutely harmless and everyone does it. So stop worrying about it."

She looked up at me. "Do you do that, Patty?" she asked. I felt my cheeks warming.

"Yes," I admitted. She nodded. "Then I'm not crazy?"

"Of course you're okay, baby," I answered. "You're perfectly normal and you're going through exactly what every other young woman who ever lived went through at one time or an-

other."
"Do you make yourself come when you do it with your finger?" she asked. I felt my cheeks warming again.

"Yes," I assured her.

Again the girl hesitated, and I almost laughed. It was obvious that Pam was in a horny frame of mind that morning. Listening to her mother and father having sex the night before had turned her on, and she was hot to trot.

She turned to me. "How do you come, Patty?" she blurted out softly. "You mean, have an orgasm? You've never had one?" She blushed painfully, but kept her sparkling blue eyes on my face. "I don't think I know how!" she cried.

I started to say something, but the little blonde suddenly slipped across the cushions and placed her arms around my neck, a strange little sound drifting from her lips. A thrill streaked

through my belly. She was trembling like a leaf against me, her warm face hiding itself in the side of my neck; her fresh, clean breath softly blowing against my skin.

I wanted to push her away, but at the same time I loved her arms around my neck, her soft little body trembling against mine. I felt my nipples tingle and my pussy begin to lubricate, its lips seeming to swell, its slit growing squishy.

"You're my very best friend in the whole world, Patty. And I love you." She was breathing into the side of my throat. She hesitated, and then said, "Make me come! Please, Patty. I want so badly to come ..."

"Pam," I whispered, more thrills quivering through me. "What are you saying? You can't mean what you said!"

"Please, Patty."
"I'm not a lesbian! Now, take your

arms from around my—"

"I won't tell anyone," she panted, squirming against me, her arms tightening. "Please ... please..."

I had never touched another female; had never felt a desire to, in fact. But I could feel that gorgeous young woman turning me on at a furious pace. Then her lovely face left my neck and was directly in front of mine, her huge eyes gazing at me.

In the next moment her sweet, warm lips touched mine. Then she pressed her arms even tighter around my neck. More thrills streaked through my tummy and I felt chills crawling up and down my arms and legs. My pussy felt like it was going to burst through the crotch of my panties. I started to

push her away. She wanted to have her very first orgasm, and she wanted me to bring it about for her. Somehow, I felt strangely flattered.

As though they had a mind of their own, my fingers went to the bow of her bikini top and untied it. As the loose ends fell away, I reached to her hips and untied the bikini bottom, our mouths fused together. Then I was pushing her back, holding her down and lying on top of her.

The bikini fell away and the beautiful creature was completely naked. My fingers were racing up and down her shapely arms, along her shoulders, across her satin tummy and belly. I knew I was wrong for me to do what I was doing to her. But I could no longer control myself. I lifted my head. "You mustn't ever tell," I whispered.

"I won't tell anyone, Patty," she panted, her cheeks deeply flushed, her big eyes sort of cloudy. "Are you going to make me come?"

"Yes," I said, my hand slipping to her breasts. I felt a strange calm drift over me. I had felt the same thing the first time I gave myself to my husband. The searing passion was gone, leaving only a deep, warm arousal and that wonderful sense of peace.

I was well aware of exactly what I had to do. I caressed those firm young titties and tugged carefully at the cute pink nipples. Pam sighed and writhed gently. I had never touched any breasts except my own, and I was rapidly learning that it was quite pleasant

to touch the smooth flesh of someone else's breasts and to fondle their nipples. I moved my hand, touching her satiny body, caressing her naked hips and thighs, all the while raining kisses over her lovely face.

I reached down to her cunt and found that she had already parted her legs, her knees lifted. The girl twitched as I gently stroked the tender lips and gash, feeling the smoothness of her hairlessness there. I eased my middle finger into her hot little hole, loving the flowing juices of the young virgin.

"It's wet, isn't it?" she panted, wide eyed.

"Uh, huh," I murmured, sliding my finger out and then back in.

"Is yours wet?"

"Uh, huh."

"Is it wet because you like what we're doing, Patty?"

"That's right."

I think I had known from the beginning what I was going to do. I slipped off the sofa and into a kneeling position on the rug, moving down her naked body at the same time. I crept between her beautiful legs, and her

pussy was only inches from my face. I gazed at the delicate mound swelling upward; the quivering, dainty lips. I saw the short, tight-looking slit between them, glistening with her flowing nectar, drifting into the deeper cleft between her ass, the creamy thighs thrust upward and outward.

How pretty! I had never dreamed that I could see beauty in the open crotch of another woman. But there it was, and I shamelessly stared, feasting my eyes on it, drinking in that delicate loveliness of the 18-year-old virgin.

Her pussy attracted my lips like a magnet, my hands clasp her soft, naked hips. I felt the unbelievable softness

of her young vulva pressing against my open mouth and inhaled the fresh, clean fragrance of her. I was kissing her cunt! I was actually kissing this girl's pussy. And I was loving it!

"Oooh!" Pam cooed softly, her hips squirming gently. For a long time I held the wet, open-mouthed kiss. Then I lifted my head and began to lick, dragging my tongue over her coral-hued lips and soaking wet slit.

"Omigod," Pam whispered, raising her head, her huge eyes staring down her naked body and up at me. "That's your tongue! Oh, it feels so good." Her head sank slowly back to the cushions again and a shiver ran over her body.

I continued to lick and lap, my head bobbing up and down, my tongue gliding over her pussy lips. Her entire crotch was soon deliciously sloppy from a mixture of her gushing honey and my saliva, and even the crack of her ass was soaked.

"Patty, I love what you're doing to me," Pam gasped.

"Yes, baby," I said. "I'm going to make you come now."

Carefully, I spread Pam's tender cunt lips apart and her tiny clitoris peeked out at me, erect and eager. I pressed my open mouth into her sensitive nest, fastening my lips over her love button and sucking lightly on it. I wrapped my arms about her upper thighs, my nose buried in her fragrant cunt. Then I began to flutter my tongue rapidly across her clit, continuing the gentle sucking with my lips at the same time. (This was the

way my husband did it to me, and I simply loved it.)

"Oooh," Pam cooed again, her ass rising an inch, her fingers touching the top of my head. "Oh, God... that feels so good!"

I had suspected that she would have some difficulty in reaching an orgasm, not knowing how to help herself along. I knelt there and sucked and fluttered her clit for what seemed like a solid hour. I loved every moment of it, but my legs were cramping, my neck was going stiff, my tongue felt as though it was going to drop off. But if I had stopped it would have broken the girl's heart, so I kept on doggedly grinding my mouth into her pussy. She

squirmed and writhed and sobbed, her fingers digging at my head again and again.

"It's not happening, Patty!" she wailed softly. "I can't come!"

I kept sucking and fluttering,

orgasm.

My heart sang with joy as I felt the girl tumble into a quivering mass of rapture, her ass heaving and surging up and down. My arms firmly held on, my open mouth still sealed over her clitoris like a starving leech. My head bounced up and down with her hips, my tongue nearly vibrating in my attempts to prolong her climax for as long as humanly possible.

I watched her titties jiggling firmly from her jerky movements, and saw her belly undulating in and out in an almost painful manner. But at last it was over. Pam finally relaxed, her hips sinking weakly back down.

Finally she sat up, staring at me in wonder. She was half crying, the tears dropping down her lovely face. She shrank back against the arm of the sofa, her knees drawn into her chest. Then she pressed her fingers to her mouth and

a tiny giggle escaped. "I came!" she cried. Her tiny voice was filled with wonder.

"I know," I said with a smile. "Congratulations."

"Thank you, my wonderful friend. I thought I was going to die, at first. Then I didn't care if I did." She laughed again.

I never touched Pam again. She is happily married now, and every time she and her husband visit Ginny and Joe, she sneaks away and comes over to see me. She always gives me a big hug and her lips form the silent words: "Thank you."

I understand, and that makes me happy.

grinding my face into her sweetness, my head being rocked by her wild twisting. "I have to pee!" she sobbed. "I feel like I have to pee!" Then, "Oh, that feels so good... Maybe you'd better stop!"

There was no way I was going to stop. If that was not her orgasm threatening, then I did not know my own name. Finally she screamed, "Stop! Oh, my God, I'm coming!" The following instant her fingers became claws in my scalp, trying to draw my entire head into her vagina.

Her lush rear end was surging upward, her tender pussy slamming against my mouth in an almost savage way, as she exploded into her very first

I was not looking forward to my first comic book convention. I didn't want to dress up, and I didn't really want to be around a lot of other people who did, and even the allure of attending the panels and potentially meeting several of my favorite stars didn't make me feel much better. But my brother insisted so off we went, several hours in the car, with the dread having nothing but time to just grow within me.

The first day when about as I imagined it, and by the end, I was already done with the conference and irritated at my brother for bringing me, so I headed down to the lobby bar, where they had completely revamped their menus to offer nothing but comic-themed beverages. I rolled my eyes and was about to storm off to find someplace with something a bit more normal when I spotted her.

She came in from across the bar, shimmering long, pale gold hair falling to the middle of her caramel back. Her deep, hazel eyes instantly started scanning the bar and locked onto mine as I instantly realized that we were the only two in the bar not dressed up. I took a chance and got

up to suggest a different bar in the city, one where we wouldn't be surrounded by characters and could be ourselves, to which she happily agreed.

Over the next several hours, we got to know each other a bit more. We both liked comic books, video games, and the movies, but weren't sure that the convention was really our thing. As the night wore on, we jumped from bar to bar, shooting pool, singing karaoke, and generally having a great time getting to know each other.

Late that night, we stumbled back toward the hotel and past the convention halls when she suddenly pulled me aside. With a laugh and simultaneously trying to shush me, she pulled us down the hall and started trying doors until we found one unlocked.

Giggling, she led me inside a large panel hall, with several life-sized mannequins of some of our favorite heroes up on stage. And, without a word, she ran up on stage with me in tow and lay back on the empty panelist table before starting to pull her shirt up to reveal a black lace bra while lifting one of her legs up, show-

ing me up her skirt that she wasn't wearing any underwear.

Drunk and entirely infatuated, I leaned over her wide open body and made out with her as best I could while fumbling around for my belt. As soon as I loosened my pants, my rock-hard dick sprang out and took over, standing me up and seeking out her horny pussy, sliding in balls deep with the first thrust. The feeling was amazing as she let out a scream, her legs quickly wrapping around me and pulling me in deeper. My hands moved to her chest, unclasping her bra and letting her twins out, admiring her enormous nipples that seemed to be smiling up at me.

I gasped in the pure pleasure and ecstasy of the way her eyes captured

mine, and the openness, on stage, under the lights that I imagined could blaze to life at any moment, and in sight of all these heroes I adored all combined together to send extra rushes of energy through me. Every part of me wanted to hurry, which only fueled the pleasure and made me feel like I didn't have to worry about anything. And before I knew it, she was jumping off the table, turning us around, and throwing me backwards, all while riding and grinding me closer to the edge. She knew how to work a cock, and I was the lucky one who got to experience her talents that night.

Every moan, every sound echoed in the hall, and I didn't care anymore by the time she was pulling my hair and screaming loudly as she orgasmed. Her pussy grabbed tight hold of my bulging cock, and, within a few seconds, she finally squeezed it out of me. My body shook and shuddered as I flooded her with all of my pent up frustration, stifled in my screams only by the feel of her luscious lips enjoying mine. We lay there together for what felt like an eternity before finally heading out of the hall.

I didn't see her for the rest of the convention, and my brother even doubted if she was real, but I made sure to catch every panel in that hall, letting the memory and the secret beauty of that night fill me with unspoken joy. And, as I left the convention, I knew that the memory that would last a lifetime wouldn't be of comic books.

THE GAME

I've never been much of a sports person, but that's sometimes the price I've had to pay for some of the men I've dated. My current boyfriend is something of a sports nut, following all the local teams, and going to all the games he can. More than once,

he thought this would be a great gift to me so that we could share the experience, and usually, I just smile and nod and let him take me while I scroll through social media through the game, then he takes me home, and uses me to get himself off before he passes out.

ground, covered in stadium food and drink. My first reaction was anger, but the moment I locked onto her electric blue eyes, I knew that I couldn't be mad at her. Her look was one of fear, yes, but also one of resignation. The same one I had when I came to these games.

A couple weeks ago, though, I found a way to actually enjoy one of the games. A little bit after the game started, I excused myself to start walking the concourse, which is usually more interesting than the game for me and headed up to take a couple of laps. That was when she quite literally ran into me. Hailey was a good 6'3", with medium length jet black hair that went down to her shoulders.

She had a tray of drinks and snacks and lost track of where she was going and stumbled into me, knocking us both to the

I saw myself in the way she looked back at me, though she was quickly pulled off me as help started to arrive.

Once the staff figured out that we were alright, we were finally left in peace to laugh at how we looked, and we quickly started getting along as we offered to buy each other new clothes at the team store. We both picked out the loudest outfit we could and headed to the bathroom to try them on, opting to share a family stall for more room and a more private sink for rinsing off.

I've been called pretty before, standing a good 6', with long, curly brown hair. But Hailey looked at me in an all-new way. Her eyes, the same ones that showed such fear when she crashed into me, now were alive with hope and life, even enjoyment. She offered

it was her touch that finally broke me. She was gentle and caring, with just enough sensuousness to make it interesting. And when I looked back up at her, I saw a radiant expression that just drew me into those beautiful, ruby red lips.

As soon as our lips met, we

against the wall and letting my mouth move from her face to her neck and collar and finally to her perky breasts. She didn't seem to care about moans or groans, making sure I knew exactly when I got the right spot.

She then flipped me around and took over, moving to return the favor on my chest while her fingers continued to do some exploring. Reaching around, they found my plump and juicy ass, holding on and scooping it while she licked at my boobs. Then, she pulled her mouth away briefly, looking up at me as her fingers slid up into my asshole.

I hadn't expected the sudden pressure and let out a loud scream that quickly turned to a pleasurable moan as she worked up a rhythm. But she didn't want me too comfortable, because as soon as I started to move with her, those fingers slid out and moved around my leg.

I brought her up in a long, lingering embrace with my hands cupping her chin, but that didn't stop her fingers from continuing their journey, and within seconds, those fingers were sliding up my pussy for even more jolts of pleasure.

It didn't take long for her to push me over the edge, and I was quickly on my knees, allowing my tongue to flicker up inside her to return the favor. The tension was quick to release as she surged with pleasure. We held each other for a few minutes before finishing washing up and getting dressed in the new clothes we got. And as we left, we agreed to keep in touch. I have a feeling future games are going to be a lot more interesting.

to help me rinse out my hair as I stepped towards the sink. I agreed and pulled off my shirt to make my hair easier to clean, leaving me in a bra that was about a size too small, forcing my boobs up and outward.

And as much as my eyes had been locked on her since we met,

were in each other's arms. Before I knew it, she had unhooked my bra and pressed herself against my chest, holding me close. We took our time, making out and enjoying one another, and it was a few minutes before I finally had her shirt and bra off. The moment I did, I was leaning her back
